REMARKS

Applicant again thanks the Examiner for the careful and thorough examination of the present application, and for the indication of allowable subject matter. Claims 1-13, 15-22, 26 and 28 remain pending in the application and are allowable as indicated by the Examiner.

In the Office Action mailed January 21, 2005, the Examiner requested a supplemental declaration that included language referring to all errors corrected in the present reissue application. Accordingly, Applicants submit herewith such a supplemental declaration including a clause that "All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant."

In view of the supplemental declaration and remarks, it is respectfully submitted that the present application is in condition for allowance. An early notice thereof is earnestly solicited. If, after reviewing this Response, there are any remaining issues that need to be resolved before the application can be passed to issue, the Examiner is invited and respectfully requested to contact the undersigned by telephone to resolve such informalities.

Respectfully submitted,

PAUL J. DITMYER
